The world of *Spyfall* has been turned upside down, like sand through an hourglass. The classic game of probing questions, clever answers, and lots of suspicions is back and it's heading to the past ... and the future!

Get ready to travel to memorable eras and locations across space and time! Expose a spy in a Neanderthal Cave or a Lunar Base. Avoid spilling secrets in an Old West Saloon, Leonardo's Studio, or a certain period of time in Spain that no one expects! Time is of the essence!
