### PRODUCT DESCRIPTION:

Across the Iron Kingdoms, where powerful steam engines and arcane magics intertwine, the factions of Warmachine clash in a relentless struggle for dominance. With the world teetering on the brink of chaos, mighty warcasters and warlocks command brutal machines and savage creatures into battle, forging the fates of their unyielding nations in the fires of war.

Inside the Old Umbrey Auxiliary Expansion, you'll find devastating new solos and elite infantry to expand your tactical reach and crush resistance under Old Umbrey's banner. Complete with highly detailed, hard plastic (HIPs) miniatures to build and paint, perfect for growing your Warmachine army.

Compatible with existing Old Umbrey armies, each with a distinct playstyle, and all rules available free in the Warmachine app, this box is an excellent way to expand an existing collection.

**WHY THIS WILL SELL:** The Old Umbrey Auxiliary Expansions is a powerful addition to your Warmachine army, bolstering your existing Khador forces with rapid fire enhanced by a dark, forbidden pact.

With detailed, high-quality minis this set offers cinematic battles and hours of entertainment.

Warmachine has a passionate and thriving community across the casual, competitive, and hobbyist categories, with an excellent reputation for clean rules and immersive action.

We're combining this award-winning game's immersive lore and highly-regarded ruleset with our proven track record of producing incredible, highly detailed miniatures, and of developing and delivering large-scale games around the world, to turn Warmachine's growth from electric to explosive.
